My Favourite Place to Visit

A. Hello, everyone. I'm ____ and I study at Margarita Salas School. Today I'm going to talk about my favourite place to visit. It's my granddad's holiday caravan in Cornwall. It's a place called Land's End, which is in the south west of England.

B. The caravan is on a big caravan park with other caravans. It's next to the beach. People go walking on the cliffs and on the rocks, or they go surfing and swimming in the sea. I love surfing! Oh, and there's a café in the village. The pizza, chocolate cakes and milkshakes are all delicious!

C. I went there last summer with my parents and my grandparents. We all stayed in the caravan! We went on a boat trip along the coast. It was so much fun! We also watched people on a fishing boat. They caught lots of fish.

D. This was my presentation. Thank you for attention. I hope you liked it. Have you got any questions for me?
